

UCSH LIBRARY CATALOG SYSTEM

USER GUIDE

INTRODUCTION

The UCSH Library Catalog System is a dedicated digital platform developed for students, faculty, and researchers of the University of Computer Studies, Hinthada. This system serves as a bridge, connecting our academic community to a vast repository of technical books, research papers, and educational resources.

1. Getting Started

- **Accessing the System:**
 - Creating a Library Card (Registration)
 - To access the system, you must first register for a library account:
 - Navigate to the registration page and fill out the "Create Library Card" form with your Name, Roll Number, Email, Phone Number, Semester/Academic Year, and Password.

- **Logging In:**

- If you already have an account, click on the 'Login' button.
- Enter your username and password, then click 'Login'.

Figure 4: Login Page of System

2. Navigating the System

- **Searching and Viewing Books**

- Search: Use the search bar on the homepage to find books by title, author, abstract, content, or category.
- Book Details: Clicking on a book allows you to view its technical specifications, including the author, publisher, and current available quantity.

Figure 5: Home Page of System

- Advanced Content: You can read the "Book Abstract" for a summary of the content and browse the "Table of Contents" to understand the book's structure.

Figure 6: Book Details Page of System

Figure 7: Book Details Page of System

- **Booking Books**

- If a book is available, click the "Booking Now" button.
- Important Policy: Bookings must be collected within 24 hours. Failure to collect your reserved book within this timeframe will result in an automatic cancellation.

3. Account & Borrowing Management

- **Profile Settings**

- You can manage your account by navigating to the profile section. Here, you can update your personal details, change your profile image, or update your password for enhanced security.

Figure 8: Profile Setting of System

- **My Booking Requests**

The "Booking List" section allows you to track the status of your reserved books.

- **Status Monitoring:** You can view whether your request is "Pending Pick-up" or if it has been "Canceled (Expired)".
- **Expiration Timer:** For pending requests, the system displays a countdown timer indicating how much time remains to collect your book before it is automatically canceled.
- **Management:** You have the option to delete unwanted booking requests.

Figure 9: Booking List of System

• My Borrowed Books

The "Borrow List" provides a comprehensive overview of your current library activities.

- Active Books: You can view books currently in your possession, including their borrowed date and due date.
- Renewal: If a book is eligible, you can click the "Extend" button to renew your borrowing period.
- Fines and Overdue Items: The system clearly marks books that are "Overdue" and displays the accumulated fine in MMK. These fines must be settled by selecting "Pay at Counter".

- **Library Guidelines and Terms**

To ensure equal access for all students, please adhere to the following library policies:

- **Borrowing Limit:** You may borrow up to 10 books at a time.
- **Duration:** Books must be returned or renewed within 7 days.
- **Late Fees:** If books are not returned on time, a fine of 100 Kyats per day will be charged.
- **Care:** Please handle all library materials with care. You are responsible for any loss or damage.

4. Support and Information

- **Frequently Asked Questions (FAQs)**
 - For quick answers to common questions regarding searching, borrowing, and booking, refer to the Frequently Asked Questions section.

Figure 12: Frequently Asked Questions of System

- **Direct Communication (Contact)**

The "Contact" page features an integrated messaging system for direct interaction with library administration.

- Direct Messaging: You can send inquiries or requests directly to the admin and view their replies within the chat interface.

Figure 13: Contact of System

- **About Us**
 - Learn more about our vision, mission, and the development team behind the system.

Figure 14: About Us of System

- **Contact and Footer**
 - Use the footer on any page to find our physical address, contact numbers, email, and the "Send Message" feature to contact the library administration directly.
